# War Department,

This paper was found in the files of the Provost Marshal General's Office with the receipt received from the Chief Mustering Officer of 1860.

General's Office,

Washington,

1860

In reply to your letter requesting a Descriptive List of John J. Smith in Company 1st Regiment of Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office, which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

## NAME, RANK AND REGIMENT, DESCRIPTION, &c.

John J. Smith, a Private in Company 1st Regiment of Volunteers, is 25 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 7 day of April, 1864, at the town of St. Louis in the State of Missouri, by John J. Smith, and mustered into the service of the United States on the 10 day of April, 1864, at the town of St. Louis, in the State of Missouri, by John J. Smith, to serve for the period of 3 years or "during the war."

## ACCOUNT OF PAY.

It is stated on the Master Roll of his Company for the months of April and May, 1864, that he was last paid by Paymaster John J. Smith to the 31 day of May, 1864.

## ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

## REMARKS.

John J. Smith left St. Louis April 10, 1864, for St. Louis, Missouri.

Very respectfully,

Your obedient servant,

John J. Smith  
Assistant Adjutant General.  
(7)

The "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

the soldier is entitled to pay for the use of his horse, the contrary comes under the head of a private account, and the soldier is not entitled to pay for the same out of his final statement. His descriptive list, if he pays due for having been so furnished with this list, and also to the third he has no claim on the Government. If a soldier is furnished up by the officer who gives the soldier three months' pay, and the soldier is entitled to pay for the same out of his final statement, the officer should be directed with a statement to the effect that the soldier's statement, when submitted, should exhibit a final statement of the third party which the soldier was allowed to pay on his final statement, the due to complete a complete exhibit of his account. It will be necessary to transmit to the auditor all other charges against him or in his favor, transmitted to the company commander of the soldier, who will account on the muster roll upon a full understanding of the soldier's account, so the muster roll will then be destroyed. The object of this is to report the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receives his pay or allowances that may be due him state, and the time of his discharge and will not appear on his final statement, and the fact that his descriptive list is incomplete. These accounts from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be written with his final statements, in duplicate, to the Second Auditor, and be numbered as mustered in from the date of their death.
10. Men drafted, or who will be considered as mustered in from the date of their muster, will be mustered for pay on the usual rolls for "John in Duty and Enrolled.—Commencement of the bedding." "When Mustered" will be written the word *drafted*; and after the bedding "Where Mustered" will be given the word *drafted*; and after the place from which drafted: under "Where Mustered" will be given the place from which drafted: under this heading, "When Mustered in," will be given the No. of that in the bedding district from which he was drafted, and the place to which he is bound; thus: 4th *D. Mass.* (meaning 4th Enrollment District, State of Massachusetts).
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED OFFICERS not by enlisted men acting as such.

called Sam. I and Sergeant of Co F

service in this city under Capt. Hoston.  
I was arrested last night by a detective  
of this office, for "falsely representing  
a U. S. Detective".

Some nights last week I was in the  
'Great Western Saloon'. I saw a man in there  
who was very drunk & <sup>armed</sup> ~~with a revolver~~  
with a revolver. He told me that he  
was a Texas but was dressed in civilian  
clothes. Capt Cooper who is on re-  
tiring service & was then in the above  
Saloon told me to take the revolver  
away from this man, which I did  
& told the same to come to Capt. Coleman's  
Office on cor of 3<sup>rd</sup> Pine St, the next  
morning <sup>at 10 o'clock</sup> get his revolver back. I  
went to said office at 10 o'clock the  
next morning, with the revolver but  
the owner of the revolver was not there.  
I went there every morning, at 10 o'clock  
but the man never showed himself.  
I never told this man, that I was a

a United States Detective, only took the  
pistol upon the request of said  
Capt Cooper.

Edward Henzge being duly sworn  
upon oath says:

I reside in Ray  
County Mo. I was 3<sup>rd</sup> Lieut of the  
3<sup>rd</sup> Caval. M. & M. on the 18<sup>th</sup> day of  
Feb. 1862 my regiment was consolida-  
ted with the 6<sup>th</sup> & 7<sup>th</sup> regiments M. & M.  
and I was ordered to be mustered  
out. I have been at home since  
the consolidation until a few weeks  
since when I came to St Louis for  
the purpose of receiving my discharges  
and receiving my pay. On Thursday  
night last I was in the Great Western  
Saloon, when a man came up to me  
and demanded a revolver which I was  
carrying. I asked him <sup>for</sup> his authority to  
demand it and he said he was a  
U. S. detective and was attached to the  
Prov. Mar Genl. office. I gave him my  
revolver. I called at the Prov. Mar Genl.  
office and found that the revolver had  
not been left and that no such a  
man had been employed as U. S.  
Detective. I met the man again  
on Saturday night last and asked  
of him when I could find  
my revolver. He told me he would  
meet me the next morning at  
Prov. Mar Genl. office. I was at the

Par. Mar Girds office during the summer  
and he does not come. I made in-  
quiries concerning the man and found  
that he is a soldier and is an  
outly in the city awaiting desertion.  
I inquired of Capt. Colman if he had  
(the soldier) left my revolver with him.  
He said that no pistol had been  
left with him. I did not wish  
to lose my revolver and called  
upon Capt. Tallon who arrested the  
man and committed him to my  
custody.

NOTE 1.—This blank will be used for both enlistments and reenlistments. It is in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the Superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, of the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Sec. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

Sec. 13. Approved July 4, 1864.

NOTE 18.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

FINAL STATEMENT

R 308

*Sanford Thiers*

*Regt of 4th Inf Me*

*Disch Dec 12 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service), that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; with these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his service, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has paid for having been so mustered on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, he should give him, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive that will then be destroyed. The object of this is, that the remaining portions of the Soldier's account may be entered upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statement from the fact that his descriptive list is incomplete. There is no reason for this pay, &c., as settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, draft, description, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—The blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, the descriptive list, if he has one, should be sent with the final statement, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or volunteer, the officer for that class, if certified, should certify only the word "drafted" or "volunteer," as the case may be. If the Soldier is a "VETERAN," (or "RE-ENLISTED") the words "a veteran," (or "drafted") as the case may be, should be inserted after the words "entitled to the service of the U. S. A statement of all the discharges of Veterans or drafted Men being RECEIVED by the Soldier must be made on the back of each final statement.

Notes—Each soldier ordered to his Regiment or Company for duty from General Hospitals in Louisville, Ky., and vicinity, will be furnished with this Discharge; an exact duplicate of the same to be sent by mail to the Commanding Officer of his Company or Regiment.

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must be made in all cases, inside payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

H. A. R. P. Chmt. & Br. L. Dir.  
July 15<sup>th</sup> 1864.

Major.

The bearer, Lieut. Robert Sorain, Jr  
A. R. Q. M. 10<sup>th</sup> Cavalry Mo. Vols.  
came from Vicksburg, Miss. on an order from  
Maj. Gen. Schoen. for purpose of attending to  
his Regt. affairs. He was gone 15 days. He  
has been in the city 5 or 6 days, and having  
finished his business is anxious to proceed  
below.

The order given him at Vicksburg  
has been lost. a brother officer borrowing his  
coat - without asking leave - and losing the  
document - which fact I can vouch for,  
having seen the paper.

You will oblige by  
giving him an order on which to procure transport -

I am with esteem -

Very Respectfully,  
Your Obedient Servant

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the enlistment (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

# FINAL STATEMENT

or

Wm. M. Caldwell  
18th Regt of Cavalry

## VOLUNTEERS.

David Decker 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "credited to his discharge," and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, he should give him, if he has one, should be taken up by the officer who gives the Soldier these statements, and returned with a statement to the effect by the officer. This statement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the cashing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the Company Commander of his regiment. It will then be transmitted to the Company Commander of the Soldier's regiment on the muster roll upon which the Soldier's discharge is reported. The duplicate final will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse, equipment, and other miscellaneous charges, should appear under the heading of "Other Discharge."

NOTE 5.—Dues paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and his dependents must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with the final statement, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. War Department,  
Adjutant General's Office,

No:

This paper was found in the files of the Provost  
General's Office with the following receipt  
from the Provost General's Office of Missouri.

1865

In reply to General's Office, requesting a Descriptive List of George H. Thompson, a Private in Company H, 10th Regiment Missouri Cavalry Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

George H. Thompson a Private in Company H, 10th Regiment Missouri Cavalry Volunteers, is 16 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 16 day of August, 1862, at the town of St. Louis in the State of Missouri by Wm. Wilcox, and mustered into the service of the United States on the 13 day of September, 1862, at the town of St. Louis in the State of Missouri by Wm. Wilcox to serve for the period of Three years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of March and April 1863 that he was last paid by Paymaster Wm. Wilcox to the 31 day of August, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

Discharged for medical April 1863. It is reported "captured by the enemy for 11st time. Received St. Louis, Mo."

Very respectfully,

Your obedient servant,

Chas. D. Cook

Assistant Adjutant General.  
(7)

D. B. E. Permyville  
Ct. M. A. G. and G. A. S.  
Cent. Permyville

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be submitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

OF

*Private Joseph R. Thompson

**VOLUNTEER.**  
*He will be paid 1500/100*

**NOTE 1.**—Two of these certificates (or duplicates) are to be given to each volunteer soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDER of the company commanding the company with certify to the act of the delivery of the duplicate certificates; on these certificates the soldier is "entitled to" have the payment advanced on it. The discharge is to be given back to the soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

**NOTE 2.**—If the soldier is entitled to pay for the use of his horse, the final statement, and also to the time he has pay due for having been so mounted on his own horse.

**NOTE 3.**—When a soldier is furnished with final statements, his discharge list, if he has one, should be taken up by the officer who gives the soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the time account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the commanding officer of the company, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for such pay, &c., are settled by the 3d Auditor of the Treasury Department.

**NOTE 4.**—Charges for loss or injury to equipment, horse, equipment, and other miscellaneous charges, should appear under the heading of "Other charges."

**NOTE 5.**—Money paid by these certificates, and sent by the United States, will not be entered on the statement.

**NOTE 6.**—Accounts due the soldier and his family must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well upon the final statement, otherwise the amount cannot be collected from the United States.

# War Department,

Adjutant General's Office,

Washington, Nov 10, 1865.

Sir:

In reply to your letter requesting a Descriptive List of Lewis D. Thurman, a Private in Company "K", 10<sup>th</sup> Regiment Missouri Cav Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

## NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Lewis D. Thurman, a Private in Company "K", 10<sup>th</sup> Regiment of Missouri Cav Volunteers, is — years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 1<sup>st</sup> day of Sept, 1862, at the town of Greenville in the State of Missouri by Lieut E. Jennings, and mustered into the service of the United States on the 20<sup>th</sup> day of October, 1862, at the town of St. Louis in the State of Missouri by Lieut Prier, to serve for the period of Three years or "during the war."

## ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of March and April 1865 that he was last paid by Paymaster Meyer Herrick to the 3<sup>rd</sup> day of October, 1863.

## ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

## REMARKS.

On Muster Roll of his Co for April 30, 1865 he is reported, "Absent without leave since June 10<sup>th</sup> 1864." There is no record of his having received any money, or evidence of his having after Company.

Very respectfully,

Your obedient servant,

Chas. D. Reed.

Assistant Adjutant General.

(7)

To Major Gen Geo H Thomas Jr.  
Comdg Mil Div of the Army,  
Washington, D.C.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. This endorsement should contain a full statement of the time for which the soldier was allowed pay on his final statement, the clothing received, and all other charges allowed him or for him, as to complete a complete exhibit of his account. It will then be transmitted to the commanding officer of the company, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, &c. A muster-in will not, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the one may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that he has  
recently undergone a surgical operation for enlargement of left

I do hereby certify that I have carefully  
examined this officer and find that he has  
Necrosis of the Humerus caused by a gun  
- shot wound received at Springfield Missouri  
October 23<sup>rd</sup> 1861 which wound has continued  
to suppurate up to the present time. He is much  
debilitated by the constant drain upon his system,  
and in my opinion, is unfit for duty. An oper-

disability, it is necessary that he be allowed  
to go home to his home in St Louis for its safe
